## RULES FOR CONDUCT OF SHOWS

### Rules for Conduct of Shows

1. By participating at a show, show organisers, judges and exhibitors and handlers agree that they will unconditionally submit themselves and the persons accompanying them to the "Rules for Conduct of Shows" and, as regards veterinary matters and drug misuse, to the relevant FEI Veterinary Regulations. The accompanying persons include e.g. persons representing the show organizer, trainers, handlers as well as assistants of any of those persons. Show organisers are not permitted to introduce rules which are in conflict with the "Rules for Conduct of Shows". These Rules will be interpreted when necessary under the provisions of the laws of the country where the show is held.
2. Horses must be accompanied at the show by a photocopy of the registration document, including a graphic description, or a horse passport to facilitate verifying the identity of the horse.

### The show organizer

3. The show organiser reserves the right to refuse an entry, but must give the reason for refusal in writing.
4. The show organizer will issue a printed show catalogue. The name of every horse has to be printed in the show catalogue, as well as the names of sire, dam, (and maternal grandsire if possible) date of birth, and the names of the breeder, owner.  
Should a horse's name not be mentioned in the catalogue, its participation at the show will be allowed only if the exhibitor cannot not be blamed for the omission; it will be for the DC to decide.  
The show catalogue shall furthermore contain:

  - The judging system used, the rules for ties and the rules for championships
5. No class may be split unless there are more than 16 horses entered. Combination of a class with the next age group of the same sex is permitted only if the number of entries for the class is below three.
6. a) Judges will not consult the show catalogue before or during the show at which they are judging. No announcement indicating the identity, breeding or past performance of exhibits, or the identity of their owners will be made during judging. It is, however, permissible for this information to be given out after the scores have been announced for each exhibit.  
b) Show organisers will not release details of competitors or their exhibits to the press (except as detailed below) at any time prior to the catalogue being put on sale at the showground. Catalogues will not be offered for sale more than one day before the commencement of the show. Show organisers who wish to make use of the press (e.g. a magazine or other publication) to print the catalogue may do so, provided that they have a written contract with the publisher which confirms that the part of the magazine containing details of competitors or their exhibits will not be put on sale or posted to magazine subscribers more than one day before the commencement of the show.
7. No member of the show organising team may judge.
8. The show organiser will provide for the judges, DC members, ring masters and any other show official, appropriate transport, accommodation and meals during the show. If a judge, DC member or ring master cancels the invitation after the travel arrangements have been made, he will pay all the arising costs out of this booking.
9. Gifts in the form of fees or money are not allowed to be paid/given by the organiser, accepted by the judges, DC members and ring masters. Material gifts are also not allowed except the organizing committee show.
